

PET POLICY

PARWICH LEES HOLIDAY COTTAGES

Pets at Parwich Lees Holiday Cottages

We welcome pets at Parwich Lees, by prior arrangement, but we ask you to be responsible for their behaviour.

Please consider the following points:

There is a charge of £12 for each pet for each week or part thereof and pets, including breed information, must be booked in on the booking form when the reservation is made.

Pets stay on the express condition that pet owners are responsible for any extra cleaning that may be required in the cottages or the grounds.

An additional charge can be levied by the owners, after the departure date, if extra cleaning has been required.

Pets must not under any circumstances be allowed on any soft furnishings or beds.

Pets must have their own blankets to protect the floor coverings at all times.

Pets must not cause any annoyance, become a nuisance or intimidate occupants of adjoining cottages.

Pets are only to be left in the cottage if they are fully house trained, are prevented from climbing on any furniture and will not cause any damage to the property whatsoever.

Owners must never allow dogs to defecate in the grounds where children may play.

Owners must always clean up after their dogs.

Thank you.
